## Pointe Only Classes at CENTER STAGE DANCE

### **Class Expectations & Evaluation Meeting**

We are requiring all dancers, 7<sup>th</sup> grade and up, interested in pointe to be evaluated by our Pointe Staff. We will be looking for competency in fundamental ballet techniques AND ankle / leg strength in order for our dancers to be able to participate in pointe safely.

Evaluation and Expectation meeting will take place **Tuesday, August 10, 2021, 7:00-7:45** at the Montgomery studio. We will be covering class expectation, evaluating students and fitting shoes. All dancers interested in pointe (this includes existing pointe students) for the 2021-2022 season are expected to attend. Existing pointe students should bring their pointe shoes and new students should bring ballet slippers.

### **Placement**

Dancers will be placed in either a Beginner or Advanced class. This will allow for dancers with similar skillsets to work together throughout the year. Dancers will be notified by email of their class placement.

### **Class Time**

Classes will be 30 minutes in length.
