**CENTER STAGE DANCE** offers an excellent progressive nine-month dance program for both boys and girls. Our youngest dancers are provided with a learning experience that is grounded in teaching the fundamental techniques of tap, jazz and ballet. Our Basic Classes, including a "Boys Only" class, also begins to introduce young dancers to appropriate dance terminology and provide students an opportunity to practice some basic tumbling skills. As students progress through the years they have an opportunity to increase the amount of time they focus on different disciplines including the opportunity to add pointe to their learning experience. Special care is taken to assure students receive the very best in dance technique and terminology training. Class size is kept to approximately thirteen students.

## Registration

To register for dance, children must be four years old by September 15, 2011 or have completed at least one session of 'Tumbling & Fun'. Classes begin Monday, September 12 and run through the Annual Spring Performance scheduled for the weekend of May 18-20, 2012. A full dance-year calendar, showing scheduled breaks and important performance dates is available online at [www.DanceWithCenterStage.com](http://www.DanceWithCenterStage.com). A completed Registration Form must be received by our studio prior to a child participating in lessons.

## Tuition Fees

The dance **tuition schedule is established as a yearly fee that is divided into 9 equal payments due regularly on the 1<sup>st</sup> lesson of the calendar month** September through May. We also provide extra performing opportunities and short practices for such performances throughout the year (i.e. Holiday Performance, Kolacky Days, County Fair, Community Days, Giant Days, etc...) at no additional cost to families. **Please do not adjust monthly tuition payments based on the number of lessons received in a single calendar month nor because of your child's absence from a lesson.** All lessons cancelled because of bad weather or by the instructor for other reasons are rescheduled at a later date.

Dance tuition is:

\$39 per calendar month: Basic Class: 1 hour ; tap, jazz, some ballet & tumbling; ages 4 & up

\$47 per calendar month: Combination Class: 1 ½ hour; tap, jazz & ballet; ages 8 & up
